

Volunteers Needed to Help Restore the Washoe Wetlands!

Saturday, November 13th, 2010

9:00 am to 12:30 pm

Main Gate off of Eastlake Blvd

Washoe Wetlands

As part of ongoing efforts to manage noxious weeds at the Washoe Wetlands, the Washoe-Pleasant Valley Cooperative Weed Management Area would like to invite people of all ages to spend a nice fall morning planting native plants with us. These native plants will help increase plant diversity, improve habitat, and compete against noxious weeds, such as tall whitetop.

LUNCH WILL BE PROVIDED TO ALL VOLUNTEERS.

PLEASE RSVP BY NOVEMBER 12TH

We hope you can join us!

To RSVP or for more information, please call Robin Powell, Audubon Society at (775) 247-2798 or rpowell@audubon.org.

This volunteer opportunity was provided through grant funding from Audubon TogetherGreen and Nevada Department of Agriculture.
